School Plan for Shared Student Achievement

What is it?

This plan describes different ways that Gilbert Elementary School will support Family Engagement and the opportunities for our families to participate in activities and events that promote learning at school and at home. GES values the contributions and involvement of families and wants to establish an equal partnership for the common goal of improving student achievement.

How is it developed?

Gilbert Elementary School welcomes family input and comments at any time regarding the plan. All family feedback will be used to revise the plan for next year. GES distributes an annual survey online to ask families for their suggestions on the plan and the use of funds for family involvement. For families without Internet access, paper copies of the survey are

available in the parent resource center at GES. We also accept feedback during several family engagement events during the school year including our Data Nights.

Who is it for?

All students participating in the Title 1, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. GES will provide full opportunity for the participation of parents with limited English, disabilities and of migratory children. Residential facilities in our district are included in our family engagement activities and correspondence.

Where is this plan available?

At the beginning of the year, the plan is sent home with all students. The plan will also be posted on the school website. Parents can also pick up a copy of the plan in the parent resource center.

- Share information on the school website to help parents understand the school's academic standards and assessments, as well as the ways parents can monitor their child's progress and work with educators.
- Communicate with all families and the community in a timely manner and on a regular basis regarding school-wide events and activities through phone messages, social media, and flyers.
- Work with our families to develop relevant training and helpful presentations to educate our staff on the importance of parent and family engagement and how to support student learning.

- Provide necessary materials and handouts for parents at conferences, meetings, and activities to help families work with their student to improve his/her achievement.
- Collaborate with community leaders and business groups to increase participation and awareness of the school-parent involvement plan and activities.
- Listen and respond to parents' requests for additional support for family involvement activities like childcare and transportation.
- Offer literacy and computer classes for parents and family members to help further enhance their various educational levels.

School-Parent Compacts

As part of this plan, Gilbert Elementary School and our families will develop a school-parent compact. This is an agreement that parents, teachers, and students will develop together that explains how each party will work together to ensure all our students reach grade-level standards. The compacts will be sent home with all students at the beginning of the school year. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers at the Annual Evaluation meeting. The compacts are kept on file with the Family Engagement Coordinator if parents would like a copy.
